

WE BLEND CLASSICALITY WITH TECHNOLOGY

LOOKBOOK

About Us

SeniArt was established on 2015, but our experience in designing spans over 10 years. SeniArt as the name defines, focusing on creativity without putting aside the sense of technology. We merge our expertise in engineering and digital art and produce fine high-quality products by using Japanese cutting-edge technology integration. The exclusivity and customizability of our products is the main reason as to why so many people and organisations trust us in decorating their empty wall and spaces as well as gifting for special occasions.

We have also been promoting Malaysian culture heritage through delivering various type of products and services to many local and overseas clients.

SeniArt
CYBERJAYA DESIGN

We blend **classicality with technology**

Our arts are sublime. We design whole heartedly and from the bottom of our heart.
Our hi-tech machine's needle work is too pure that it sews with no difference of hand-made.
